A PERSONAL MESSAGE FROM YOUR SECRETARY/ORGANISER

UKEUG HAS BEEN PRESENT AT EVERY STAFFORD SHOW ever since the very first one. Indeed, this show was started by UKEUG, & the profits from it subsidised the Einstein magazine long after our membership fell from a peak of 800 to a level at which a printed mag couldn't continue without subsidy. Graham gave up on us, disillusioned, only reorganising to give the best possible service to members whilst running UKEUG on a shoe-string -- apologies for the unfortunate temporary side-effects of this! -- has given the group a secure future into the next century SO LONG AS EINSTEINERS SUPPORT IT.

BEING AT THE STAFFORD SHOW IS IMPORTANT IN MAKING OURSELVES VISIBLE TO EINSTEIN OWNERS who do not see our stand in Micro Mart or PC Mart, so we can support them -- SO THEY CAN SUPPORT US -- but I'm unemployed and cannot afford to pay my own costs of getting there to man our stand. The cost to the group of my having to do so is total disruption twice a year in dealing with membership matters, correspondence, enquiries, magazine production, & other member services, & a total absence of time or money to improve and expand these services.

DO YOU live within easy travelling distance of Stafford? Can YOU spare us a day in April or November (or both?) to run our stand, hand out leaflets, chat to people, take orders for back numbers/software etc., accept membership forms/renewals, & note any difficult queries for us to follow up later? If so, WE NEED YOU! It can be hard work, but it's great fun. Other members (and officers) turn up to chat and to help out, but we DO need someone to take charge. PLEASE VOLUNTEER!

PLEASE DON'T LEAVE IT TO SOMEONE ELSE! If you can help out with this -- a family group or two friends to share the task is ideal, but one person can handle it without any real problem -- PLEASE contact your overworked and totally exhausted old donkey of a secretary/organiser/chief editor, and save him from being taken into care by the RSPCA! Address as above, or if you never learned to write, but can dial, phone TONY ADAMS on 0303-874430 (evenings are best).
